## PSCCW Recap: Achievements and Progress in February

February 1, to February 29, 2024

PSCCW is a Palestinian women NGO committed to promoting women's rights and social justice. Our dedicated services are tailored to women in marginalized areas, including those in Areas C, H2 and refugee camps.

Amidst the ongoing crisis marked by daily attacks, raids, killings, movement restrictions, and settlers' assaults, PSCCW provided essential services to women in the most marginalized areas.

In February 2024, PSCCW provided crucial services, including legal aid, MHPSS, case management, awareness-raising, and relief assistance, reaching a total of **1080** individuals.
